Pfc. Grace Walker Married August 9 At Valley Forge

Mr. George A. Walker, Hardie Apartments, Bala-Cynwyd, announces the marriage of his daughter, Pfc. Grace Ann Walker, USMC, to Cpl. Robert N. Davis, USMC, son of Charles E. Davis, Jr., of Albany, N. Y., on August 9.

The ceremony took place at Washington Memorial Chapel, Valley Forge, in the presence of the immediate family. The Rev. John Robbins Hart, rector of the chapel, officiated. George A. Walker, Jr., brother of the bride, acted as best man. The bride, daughter of Mr. and Mrs. George A. Walker, of West Roxbury, Mass., joined the Marine Corps in 1943 and is now stationed in Washington, D. C. She is a graduate of Lower Merion High School.

Major H. C. Tily, 3rd To Wed Saturday

The marriage of Miss Betty Ruth Gilling, of Albuquerque, N. M., daughter of Mr. and Mrs. Carl Gilling, to Major Harry C. Tily, 3d, son of Mr. and Mrs. Harry C. Tily, 2d, of Bala-Cynwyd, will take place at 4 o'clock Saturday, in St. John's Episcopal Church, Bala-Cynwyd.

Mrs. Orrin John Mitchell will be matron of honor. Radio Technician Third Class William E. Tily, USNR, will serve as best man for his brother. The ushers will be Dr. Joseph Snyder, Orrin Mitchell, Capt. George Smith, AUS, of Rutledge; Robert Brindin, of Washington; Capt. Richard Alloway, AUS, of Mitchell Field, N. Y.; Robert Zapp, USNR, of New York; and Major John C. Malley, AUS, of Noble.

Lt. Dunman-Jourdet Nuptials Held

The marriage of Miss Natalie Virginia Jourdet, daughter of Mrs. George Bower, 314 Sycamore Ave., and Lon Jourdet, of Lancaster, Pa., and Lt. David Smiley Dunman, Jr., USAF, son of Mr. and Mrs. David S. Dunman, of 6 Sabine Ave., took place at 3 o'clock Tuesday, August 14, at Tampa, Florida.

Mrs. Bower, Mr. and Mrs. Dunman and their daughter, Jean, and Miss Peggy Gartner of Philadelphia, left last Saturday for Florida to attend the ceremony. Mr. Jourdet, Mr. and Mrs. Jean Dunman, sister of the bridegroom, were the bride's attendants.

Wedding Held

The marriage of Gladys G. Wallace, daughter of Mrs. George D. Grover, of Merion, to Cpl. Francis J. Happ, son of Henry Happ, of Doylestown, and the late Mrs. Happ, took place at 3 o'clock at the home of the bride, 130 Cherry La., Wynnewood.

WEATHER IS HAZARD
Weather is still a hazard to ocean shipping. Before the war, four to five hundred vessels, with a gross tonnage of about 500,000 tons, were lost at sea annually, mainly due to sudden storms.

OPINIONS DIFFERED
The learned Aristotle believed that caterpillars were formed from plants on which they lived. Pliny thought they were made of dew, thickened by the sun.

NOT MODERN INVENTION
The machine gun is not a modern invention. A patent was issued in 1718 on such a gun, with separate chambers to fire "round bullets against Christians and square bullets against Turks."

MEMO To Mrs. Housewife
NATIONAL PRESS BUILDING, WASHINGTON, D. C.

A recent WPB survey indicates that one-third of United States families want new alarm clocks.

Here are some suggestions made by the National Restaurant Association to its members to divert patron's minds from meat shortages: vegetable patties, soybean croquettes, cottage cheese croquettes and vegetable salad sandwiches.

Now that another shoe stamp has been validated you'll probably want to take an inventory before spending it. First, however, give the cobbler and a good shine with a wax-leather or paste polish the chance to spark up life in the old ones before using the next stamp.

Shirt shortages will continue here on the home front. Redevelopment is so rapid that supplies are in Europe while soldiers are here or en route to the Pacific. So the Army is having to place emergency orders for shirting.

A recipe to please any sweet tooth is Honey Hard Sauce made from equal parts of vitaminized margarine and honey with enough lemon juice to give it a zip. Serve over fruit rings, etc.—or add more honey and serve over waffles.

Commercial canning forecast is: peas plentiful, tomatoes average, corn depends on frost date, but there should be enough. Smart housewives will can all they can now and squirrel it away for winter consumption.

Radios for civilians may be a reality during the fall. At least WPB kindled the hope by asking manufacturers to file for permission to make sets on "spot authorizations."

Lower Merion High School NEWS LETTER

According to his letter, JOE FITZGERALD, '44, is living the life of Riley at Washington, D. C. His hours—8 A. M. to 11 P. M. and then 1 P. M. to 3:30 P. M. Food's great and he talks about fried chicken, filet mignon, juicy pork chops, pot roasts, etc. When he comes home, he really suffers from lack of meat. (Don't we all?) We don't really suffer—there just isn't much of it. Joe is in some kind of intelligence work, and he thinks he's soon due to leave for Oahu and points West. Too bad you didn't get to see JIM HAMMONDS. Sounds like you got a swell deal in your assignment.

CAPT. S. E. KUEN has seen service in the South Pacific with the Marines. Upon returning to this country he was with the 9th Air Wing at Cherry Point and now is in Intelligence at Marine Hdq. in Washington, D. C. Thanks, Gene, and we ought to hear from your sister, MAJOR HARRIET WALLEN one of these days.

ENS. JAMES F. ZIEGLER, '39, USNR PPO SF, says he got a big kick out of reading in our last NL that he was on Guam. He doesn't know where we got that, but says he wouldn't mind being there. (A gremlin must have slipped that one in!) He also mentions meeting HOWARD ZEIGLER, '37, and says it's really swell to meet someone you know. JIM's brother and MAJOR DONALD LOVE, '38, are in the same Marine Division; Jim saw them after the two invasion. Good luck to you all.

F/O G. P. O'NEILL, '43, is in a Pool at Trux Field, Wis. He does a little flying to keep him from getting rusty. He says, "Don't worry that our Air Corps isn't big enough. There's enough guys sitting around the country waiting for an assignment to start a separate Air Corps. Living as an officer is not a bad way to wait, however." Thanks, Pete—hope you got the 39th NL.

LT. BILL BASSETT, '36, is in Engineering School at Chantue Field, Ill. He read his catcher's (LT. HARVEY COOK) message in a previous NL and now wants to pitch him another fast one, with his best regards. (Where do I come in on this game. I'll be a spectator and cheer the battery—Rah! Bassett—Rah! Cook!

MARGARET L. GEERS, HA 1/c, '42, is at the U. S. Naval Hospital, San Diego, Calif., in the Dependents Pavilion, taking care of the service men's wives. She says it's wonderful what they're doing with plastic surgery and she loves California. Here's hello to the Merionites for you.

ENS. DAVE KLOSS is at Treasure Island, Calif., waiting for transportation to his ship. Hope your reunion with your brother BOB (440 miles away), materialized and that you had a good time. Dave says the Base is swell—three theaters, best pictures, two gyms with complete equipment, etc.

PFC. HERBERT YOWELL is back in the Pacific again with the 5th Marines. This is his second tour of duty in the Pacific. We know from the papers that your unit is seeing plenty of action. Thanks for your brother's (PFC. CLIFFORD) address. Hope to see him again, too. Your sister was in the office today. She wants to take some school subjects in Philadelphia so she can graduate next September. I also got your youngest brother's (JIM) address. I was surprised to read that the two sailors put one over on you.

LT. LOU JAFFE, '34, APO 75 is in the Philippines with the 29th Evac. Hosp. Unit. Through the NL he had two very pleasant visits with TSGT. RALPH BLAZO, '34, who thought Jaffe was still in New Guinea, wrote him a letter and they were only 10 miles apart. So instead of answering his letter, Lt. Jaffe visited Blazo and they met for the first time in 10 years, 10,000 miles from home. We're glad we help some of you fellows to get together. Hello BLAZO and thanks, LT., for the Filipinas Centavo.

EDMUND MILLS, S. 2/c, '45, is in the Medical Corps at the US Naval Hospital in San Diego. Thanks to your mother for your photo, and good luck to you.

PFC. MONROE VANCE, '43, is in Germany, setting up Dumps and Warehouses. He'd give his right arm to be back at LM and would like to hear from MORRIS STEWART, KIPPY THOMAS, BILL STEWART, VERNON YOUNG and BOB MOORE. Have you written them? So long, VANCE.

ENS. BOB WATROUS, '41, is in Miami, Florida, after attending Diesel School at Raleigh, N. C. for five hours. He didn't funk out—his orders just sent him further South. And he's a TONY; this is his first ship to the NL. He graduated from the Naval Reserve Mid-Brown at Annapolis April 25, 1945. He saw RANDY ZELOV and JIM BROWN there and both look swell. He was glad to hear about FRED DAVIS being found, also the rest of the boys, most of whom have been here in the office to say hello. Come again, BOB.

MAJOR DAVID RAMSEY, '34, APO 75 NY is in Germany. He is with the 3rd Army and Bn. Executive of the 105 Hov. F. A. Bn. DAVES Division (76th) was the first one of the 3rd Army to cross the Luxembourg-German border. We're glad to hear from you, MAJOR, write again. Or will we see you soon?

DOMINIC GIANGIULIO, AM 3/c, is with an MTB Sqdn., PPO SF. He mentions that LT. HARVEY BUEK is in the same Reg. DOM has been with this outfit since February and has been on Leyte, Samar, Mindoro, Palawan and some lesser islands. Your stories about Jap atrocities sure don't make good table talk. I'll be glad to see you on your first trip home. Your letter wasn't boring—write again. So long, "Copper."

FRANK BROWN, F. 2/c, '44, is at Bainbridge at Electrician's Mate School. Frank says it's almost as bad as Sampson.

KNOW YOUR STATE

To many Pennsylvania firsts should be added one of which all citizens of the Commonwealth may well be proud. Pennsylvania has more churches than any other State in our Union. The broad principle of religious tolerance on which the Commonwealth was founded led to the early establishment here of the churches of many religious denominations first in Philadelphia and then Westward.

The first Quaker meeting in Pennsylvania was held in 1675—seven years before Penn's landing in Philadelphia. In 1682 the first American Mennonites settled in Germantown and spread later into Bucks, Berks, Lancaster, and Northampton Counties establishing communities of the Plain People.

Old Swedes Church, Pennsylvania's earliest example of fine but simple church architecture, was completed in 1700, and Christ Church in Philadelphia, whose present edifice was completed in 1754, still possesses a communion service presented by Queen Anne of England to this pioneer congregation. In Old Swedes Church in 1703, Pennsylvania's first musical recital was given by a group of religious mystics.

The Episcopalians first held service in the colony in 1695. The State's earliest Baptist Church was organized in 1684. The Presbyterian Church in Philadelphia was organized in 1692 and the Methodist congregations date their beginning in Pennsylvania to the efforts of a British Army officer, a convert of John Wesley. The first church was established in 1768.

The first Roman Catholic Parish in Pennsylvania was that of St. Joseph's in Philadelphia, established between 1711 and 1732. The present Church of St. Joseph's in Williams Alley stands on the site of the early colonial structure. In 1782 Pennsylvania's first Jewish Synagogue was dedicated. Today there are more than five and one-half million church members and more than two million Sunday

school teachers and pupils. Pennsylvania still retains congregations of almost every one of the many sects which took shelter in this colony in those long-ago years of religious persecution.

Florida Hoboes
Play at LlanerchVagabond Baseball
Team In Main Line
Debut Friday

The Florida Colored Hoboes, a baseball team of vagabond comedians, will make their first Main Line appearance Friday night when they play Llanerch A. A. of the Main Line League at Burnton Rd. and Township Line. Drexel Hill.

The Hoboes are touted as a first class baseball club that packs unusual stunts and comedy in their play. Their lineup lists such descriptive characters as Rags Tyson, Hobo Hank, Caboose, Fast Freight, Lazy Bones, Mosses Moe, etc.

The uniforms of the Hoboes is said to be the traditional rags and bags of the vagabond.

George Passmore, Llanerch manager, says he will field his strongest team in an effort to give the Hoboes spirited competition.

The WAR and YOU

MORE HOME CANNING SUGAR

Three and one-half million pounds of sugar for home canning—one million five hundred thousand pounds more than was available during June and July, will be distributed this month by the 72 local War Price and Rationing Boards in the Philadelphia district. From April through July more than 6,000,000 pounds of home canning sugar was apportioned among 825,000 persons.

OPA District Director Frank J. Loftis said the August quota represents the peak of home canning sugar demand and local boards will make every effort to have as many people as possible receive a share. "Obviously, we cannot give every one the 15 pound maximum with demand at an all-time high and supply running more than 30 per cent behind last year," he said. Householders who received less than they applied for earlier and who have need for additional sugar should file another application as local boards will receive additional quotas for September and October.

FORGED TIRE CERTIFICATES

Tire dealers have been warned by OPA against accepting forged tire rationing certificates and an intensive investigation is now underway to prevent tire diversion to the black market. Hundreds of spurious certificates have been uncovered along the Eastern Seaboard. All are the old type R-2 certificates which local boards have not issued since May 31. Serial numbers to date indicate the certificates were stolen in New York State. Dealers are warned to check with the issuing local board the validity of certificates presented by strangers and to require identification from those presenting certificates.

Consumers have until August 15 to buy tires with R-2 certificates they now have. New certificates R-2A and R-2B are not affected and will remain valid.

CIGARETTE CEILING

Now that the cigarette supply has increased to the extent that many stores are selling more than one pack to a customer OPA has ruled that such sales must be made as multiple sales where March 1942 ceilings are lower than on a single pack basis. A store with a two for 31 cent ceiling cannot sell one customer two packs at the 16 cent or single pack level.

Similarly with candy bars where the ceiling is three for 10 cents, one bar can be legally sold at the four or five cent single bar ceiling but three bars sold to the same customer would take the multiple ceiling of 10 cents. Several complaints of this type of overcharge should be made to local price panels. Retailers on each such sale are liable to the maximum penalty of \$50 under the provisions of the Administrator's Claim procedure now in operation in local boards.

CEILING PRICE ON EGGS

Egg prices for Group 1 stores effective August 2 to 8th inclusive are as follows: Extra large, 62c; large, 60c; medium, 54c; small, 47c. Group 2 stores—extra large, 61c; large, 59c; medium, 53c; small, 46c. Two cents additional is permitted for eggs in cartons.

YOUR RATIONING CALENDAR

Meats and Fats—Q2 through U2 are invalid after August 31. V2 through Z2 are valid through September 30. A1 through E1 are valid through October 31. F1 through K1 are valid through November 30.

Sugar—Stamp 36 is valid through August 31 for five pounds. Shoes—Airplane stamps 1, 2, 3 and 4 are valid indefinitely.

CONSUMER PROSPECTS FOR HOUSEHOLD GOODS

The nation's reconversion program is steadily gathering momentum with limited quantities of household appliances already being produced and scheduled to move from factories to retail markets this Fall, and more to come in the Spring and Summer of 1949. Frederick M. Mitchell, director, Consumers Durable Goods Division, forecasts in the first item-by-item report released by WPB. Sewing machines, vacuum cleaners, domestic washing machines and electric irons should reach retail markets in small quantities this Fall, and alarm clocks in fairly large numbers by that time. Volume production, however, of these and many other products of consumer interest is not expected to be attained until the Spring or Summer of 1949.

LITTLE SWEETENING NEEDED TO CAN FRUIT

Though sugar is acutely short, don't give up the idea of canning fruit if you can possibly do a satisfactory job and put up this food for Winter. The Department of Agriculture advises homemakers. The very best line of action, the Department emphasizes, is to use whatever sugar is available for canning fruit in a moderately thin syrup. This is just about the least amount of sweetening that the average family considers acceptable without adding more when the canned fruit is served. The wartime rule of averaging one pound of sugar to four quarts of home canned fruit yields this moderate sweetening.

As a further sugar economy, light-colored corn syrup or mild honey can satisfactorily replace part of the sugar used in home canning. The corn syrup can replace as much as one-third of the sugar used; or honey can replace as much as one-half of the sugar.

GO BACK TO SCHOOL TEEN AGERS URGED

Enrollment of 250,000 more boys and girls in high school this Fall than last is the goal set for this year's Back-to-School Drive sponsored by the Children's Bureau, U. S. Department of Labor, and the U. S. Office of Education, Federal Security Agency, the Department of Labor says.

Narberth-Eaglets
Must Win to StayBoth Teams Beaten in
Last Games Played;
Playoffs Sunday

The Ardmore Eaglets and Narberth Boys' Club must win Sunday to stay in the playoffs for the Main Line Boys' Conference title. The Eaglets took a beating from Good Counsel of Bryn Mawr by a 17 to 7 count and Narberth was nosed out by Kirklyn, 2 to 1, in the opening of a two-out-of-three series for the title.

The Eaglets will again face Bryn Mawr at the South Ardmore playground Sunday while Kirklyn faces Narberth at the General Wayne playground. Both games start at 2 P. M.

Bryn Mawr and the Eaglets staged a battle for six innings of the score being 8-7 for the ultimate winners. In the seventh frame, however, Bryn Mawr exploded with nine runs and sewed up the tilt.

Four walks, three errors and two hits all counted for Mickey Gavin's men. Charley Barr was the winning pitcher, his sixth of the season against no defeats.

Fred Hessehauser of Kirklyn was the star of the victory over Narberth. Only three Narberth men put batting faced the Kirklyn ace, except in the third when the Bourgoines pushed across one run. Ettore getting a single and coming home from third on a runner's choice.

Kirklyn's choice, Killgore of Kirklyn, celebrated his birthday by scoring both runs and getting three hits in four trips to the plate. He singled in the fourth inning, stole second base and went to third on Shepherd's wild throw, coming home on Quinn's single.

Again in the ninth, Killgore took advantage of a ball to the outfield by Quinn and came home on a single. Hessehauser fanned eleven and Buchanan whiffed six for Narberth.

Schedule
Sunday
Eaglets vs. Bryn Mawr at South Ardmore
Kirklyn vs. Narberth at General Wayne.

The highest temperature ever recorded at a Texas weather station was 120 degrees at Seymour on Aug. 12, 1936.

Ardmore's Playoff Hopes
In Narberth and Manoa's
Hands in Final GamesLions Hand Pacesetters 7-2 Defeat to Take
Fourth Place As Brookline Jars Collegeville, 3-2; Borough Wins, 5-0

As they near the finish line in the Main Line Baseball League it is Manoa in front by a single game over Brookline, with Narberth just a game back in third place, while Ardmore has moved past Collegeville into the vital fourth position.

If Ardmore wins or Collegeville loses this Sunday the regular season automatically will come to an end and the preliminary Shaughnessy playoffs will get underway the following weekend.

Ardmore surprised last week by beating Manoa for the second time this season, 7-2, at Ardmore and needs a victory over Narberth Sunday at Ardmore in order to assure itself of being in the playoffs. Manoa also will have a lot to say about which team will be in the post-season play as it enters the Collegeville at Veterans Park, Brookline. A Manoa victory would keep Ardmore in fourth place regardless of how Ardmore might fare in its game.

If Narberth beats Ardmore and Collegeville upsets Manoa then Ardmore and Collegeville will be tied for fourth place and either a playoff will have to be held to decide the position or the teams will have to play several postponed games that are on the books. A meeting of league officials will determine what course will be taken after this week's decisions are known.

There still is the possibility of a deadlock for one of the other positions. Brookline, which squeezed by Collegeville, 3-2, with a rally in the last half of the ninth at Brookline, travels to Llanerch for its final game and by winning could tie Manoa for first place should the latter lose to Collegeville.

Narberth, victorious over Llanerch, 5-0, at Narberth, could tie Brookline for second should the Hares lose to Llanerch and the Borough beat Ardmore for a clean sweep of their series.

Bob McLeod was the hero of Ardmore's triumph over Manoa. He pitched a steady game, limiting the usually hard-hitting champs to six hits, and lead his team's 13-hit attack on Ollie Harpster with two singles and a double.

Brittingham, Fave and Raino each had two hits as Ardmore broke a 1-1 tie with a three-run outburst in the fourth and sewed up the decision with three more runs in the sixth. After a double by Brittingham, Fave and Raino broke a 1-1 tie with a three-run outburst in the fourth and sewed up the decision with three more runs in the sixth. After a double by Brittingham, Fave and Raino broke a 1-1 tie with a three-run outburst in the fourth and sewed up the decision with three more runs in the sixth.

Brookline's victory over Collegeville was the day's thriller, with Bill Walter's single with the bases loaded bringing in the winning run with one out in the last half of the ninth. Len Smith, Brookline pitcher, pitched only three hits in the first eight innings and went into the ninth with a 2-0 lead. However he lost his control in the final inning and walked three and Len Krause and Jack Smith banded together for singles that enabled the Superiors to tie the score at 2-2. Had not Frank Schwanda picked Krause off third for the second out of the fire.

Jepson's double over third started Brookline's counter-rally. After Steier fled out, Umbach reached base on Krause's error and Mitchell was purposely passed to fill the bases. Then Waters came through with the single that broke up the game.

Jim Craig was in his old time form as he whitewashed Llanerch for Narberth. He scattered seven hits and didn't allow a single. Llanerch runner to reach third until the ninth.

Russ Hermann, former Narberth star made his pitching debut for Llanerch, and turned in a good performance, but it was ruined by his team's light hitting and poor fielding behind him. Boyle, Snuckman and Gray contributed two hits each to Narberth's ninth-inning onslaught.

Ardmore Optimists
To Direct Boys Clubs

The Ardmore Optimist Club announced its intention of directing the Narberth and Manoa Boys' Clubs at the meeting held in the Llanerch Country Club last Tuesday.

Charles Winger, chairman of the boys' work committee, said a 12 month program had been worked out for the two clubs as well as for the Junior Optimists, a boys' group they have always sponsored. He urged all boys living in the three areas and between the ages of 10 and 18 to join and take advantage of the numerous activities offered.

Six new members installed included Walter C. Allen, of 200 Washington Ave., Manoa; Howard Harfield, of Haverford Ave., Narberth; Harry Claphamson, 108 Maple Ave., Narberth; Ervin W. Menzel, Brookline Blvd., Brookline; Robert H. Elliott, 2122 Derby Road, South Ardmore; and Richard Taylor, 658 Lancaster Ave., Bryn Mawr.

Charles H. Goheen was appointed chairman of the reception committee which was formed at this time.

Landis Recreation
Wins Court TitleArdmore Pk., Brookline Nines Triumph
In Playoff Openers

Landis Recreation and "Penn State" are the basketball champions of the Haverford Township Recreation Program as a result of games on the outdoor court at the high school last Friday.

Led by Brewer's 16 points, the Landis five drubbed "Army", 54-22, to win the American League title playoff, while "Penn State" succumbed by "Joe's", 18-17, in the National League championship game.

Ardmore Park which finished in first place in the American Baseball League, got off to a good start in its preliminary playoffs by defeating the Signal Corps, 6-4, on Monday.

Fourth place Brookline created a big upset in the National League playoffs when it spilled first place Manoa, 11-1 on Tuesday. In the other playoff no decision was reached as Ardmore Manor Aces and South Ardmore were unable to score before darkness halted play at the end of three innings.

In the Junior League Manoa finished the regular season in fourth place by beating Merwood, 17-16, Tuesday and thus will challenge South Ardmore in the playoffs. The latter finished in first place by defeating Annunciation, 10-6, in a game that broke a first place tie.

Kellett defeated Lynwood, 7-9, and Corcoran, 8-2, and moved into a first place tie with Oakmont in the Senior Softball League. Oakmont upset Croasdale, 7-0, and Corcoran 5-1.

Bishop Kenrick
Keeps Golf TitleJ. Dolan Dethrone
As Individual Champ
At Llanerch

Bishop Kenrick Council of Ardmore retained the teams golf championship of the Knights of Columbus Athletic Association in the 21st annual tournament at Llanerch Country Club on Monday.

Bishop Kenrick kept the James A. Flaherty trophy with a total of 354 strokes, two better than the total compiled by San Domingo Council.

John Dolan was dethroned as individual champion by Frank Blankley, of De LaSalle Council, who shot a 74, but Dolan led the Bishop Kenrick team with an 80. Other members of the winning team and their scores: Frank Gormley, 83; J. T. Kane, 90, and E. J. Murphy, 101.

Murphy won the Class C low net with his card of 101-29-72 and Jim Natalie, also of Bishop Kenrick, took low Class D net, with 112-40-72.
